Notice-Collection of Signature

In order to prepare the Student ID Card for the students who have been admitted in Spring 2022 semester, relevant information of the concerned students is required. Although the University preserves the students' overall information, the following information is urgently required for the above purpose:

- **Signature of the student (the file name of the signature must be the ID number of the respective student, and the signature background must be white.)**

As such, concerned students are requested to upload the scanned copies (preferably in JPEG format) of their respective signatures in the prescribed Google Form using the following link by 26 February 2022.
