Welcome Back: University Reopens for In-person Classes

East West University will reopen from **Sunday, 27 March 2022** for classes with physical presence of the Faculty Members and Students as previous. However, all are requested to follow the health care/safety protocols for COVID-19 as prescribed by the government with particular attention to the following:

1. Wear a mask all the time while on campus.
2. Wash your hands from the hand-wash booths at the entrance while entering the University.
3. Maintain physical distance.
4. Read the guidelines posted in various places and follow those strictly.

**Students who have not yet taken the vaccines for Covid-19 are strongly advised to take the vaccines as soon as possible.**

It is advisable that all should bring their own hand sanitizers, drinking water and home-made food.

By order of the Vice Chancellor
