Notice

No Mask No Entry

</div>

It has been noticed that many students are not maintaining the health safety rules and are not wearing face masks which is very alarming. We expect that all students will wear face masks all the time specially during their stay at EWU. Under this circumstance, all students are hereby instructed to follow the health care protocol prescribed by the government and also advised to follow the COVID-19 protocols for the health safety with particular attention to the following:

1. Wear a mask all the time while in the campus.
2. There is an arrangement for handwash at the entrance. Wash your hands before entering the university.
3. Maintain physical distance.
4. Read the guidelines posted in various places and follow them strictly.

The security personnel have been instructed not to allow the students to enter the university without wearing face mask. All are requested to cooperate with the Security Personnel. Let our collective effort make our life safer.
